This only takes a few minutes. You got this!

Stripe is just making sure:

- You are a real person
- They know where to send your money
- Your account follows payment laws

Before you start — have these ready:

- ✓ Your legal name
- ✓ Your birthday
- ✓ Your address
- ✓ Your phone number
- ✓ Your SSN (Social Security Number)
- ✓ Your bank account login or routing + account number
- ✓ Your CosplayXclusive link

STEP 1: Choose your country + account type

Stripe needs to know where you live and what kind of account you have.

- Make sure your country is set for “Business Location”
- Under "Business type" choose: Individual or Business
- Click Continue

TIP

Most creators pick Individual — it just means you are a regular person, not a company with fancy paperwork.

Example: I sell new and gently used children's clothing, toys, and accessories for ages 0–10. I sell these items through my website and on Instagram.

STEP 3: Verify yourself

Stripe needs to confirm you are a real person. Every payment app does this — it is totally normal.

Stripe will ask for:

- Your real (legal) name
- Your birthday
- Your address
- Your phone number
- Your SSN

YOUR INFO IS SAFE

This info is private and encrypted.

Stripe is required by law to collect this — just like PayPal, Venmo, and every other payment app.

CosplayXclusive never sees your SSN or bank info.

Click Continue after filling everything in.

NOTE

You will fill in YOUR own info here.

STEP 4: Connect your bank account

This is where Stripe will send your money!

- Find your bank in the list and click it
- Log in to your bank — this is safe and secure
- OR click "Enter bank details manually" and type your routing + account number

Then choose how you want to get paid:

- Automatic = Stripe sends your money on a schedule
- Manual = You ask for your money whenever you want

TIP

Not sure? Pick Automatic for now. You can always change it later!

STEP 6: Optional Stripe extras

Stripe might show you a couple of extra screens. These are totally optional — you can skip them!

- Stripe Tax — a free tool that watches if you ever need to collect sales tax. You can opt in or skip.
- Stripe Climate — lets you donate 1% of earnings to help the environment. Up to you!

TIP

If you're not sure, just click "Not right now" or "No thanks" on these screens. You can always turn them on later.

You're done!

Stripe will check everything — usually instantly,
sometimes up to 2 business days.

Once approved, your payouts will start going straight to your bank. 🇺🇸
